CHUBBY'S

Gloucester City

Sometimes you want to dress to the nines, slide into a luxurious banquette, and talk up the snooty servers wielding crumbers. That ain't Chubby's. In this working-class neighborhood a block from the Delaware River, come as you are. The vibe is warm, the staff is friendly, and the steaks are superb. The rib eye? Juicy, under a nice char. Filet mignon? Perfect temperature. Seldom-seen side? Apple chutney with ginger and golden raisins. Recurring weeknight specials include Thursday's 22-ounce porterhouse, \$49. All desserts made in-house. —VF

FLAME GAME Chef Jeremy Borton grills a 6-ounce filet mignon and tops it with two butter-poached lobster tails, finished with white-truffle mashed potatoes and grilled asparagus in the Land & Sea platter.
